

## **Philosophy/Vision Statement**

We believe in investing in the entire child. Our students will have a strong academic foundation and also become confident individuals with positive self-esteem. A student's social and emotional development is just as critical as their cognitive growth, and our SEL curriculum will be incorporated into every student's daily academic routine in order to achieve this high level of cognitive growth. Community and family involvement complement our commitment to developing the entire student and are critically important to our vision; we pride ourselves in being "parent advocates" and supporting parents in their personal and professional development as we work together as partners in order to provide the highest level of education possible to each student.
